Services Offered

Intellectual Property Services

Reyada International specializes in Trademarks™, Patents®, Industrial Designs, Plant Breeder's Right, Copyrights®, Bar Codes & Domain Name registrations.

IP Legal Services

In addition to our full Litigation Services covering various IP & Commercial aspects, with a highly professional Attorneys & technical staff well trained to Provide the optimal qualified services for our esteemed clients

IP Valuation

Valuating intangible assets of patents and trademarks for the sake of business licensing, franchising or assignments; applying the academic methods of:

- ✓ Income Approach
- ✓ Discounted Cash Flow (DCF) Methods
- ✓ Real Options Method
- ✓ Relief from Royalty

Legal Translations

Our staff is well trained to proceed with scientific translations of patents & legal translations of business documents, agreements, Deeds, etc..., from Arabic into English and vice versa; offered in high qualified methods at competitive costs.

Legal Research

We believe that preparing legal research shall be based on scientific methods and definite approaches, to obtain ascertained information saving efforts, money or time.

Our attorneys and paralegals are highly trained to perform such tasks at the best way, where quality is a priority, and time is a target.

Due Diligence / Market Searches

IP Infringements are illegal acts that cost genuine brands so much, business is in a serious risk if the faked marks are still existing in the local markets; just one appropriate way to overcome this negative act, is to conduct perfect market searches, and find out who is imitating, copying and infringing IP rights.

Corporate Values

Reyada International's business values are simple, clear and effective:

✓ Adequate Timing ✓ Information accuracy ✓ Cost transparency

* Adequate Timing → why late; let's do it now, not tomorrow.

* Information Accuracy → our correspondents shall be certain, precise and specific.

* Cost Transparency → no hidden costs, no sudden fees, profits-expenditures stability

Business Scale

Reyada International is a small business enterprise (SME), however our scale of business is rapidly growing, and our good reputation is leading our growth rate curve.

- ✓ Our annual growth rate with respect to profits has recorded in the financial year (2024) a statistical decline of **-3.6%**; a relatively notable recovery after “Russian Ukrainian” war and “Gaza” humanity misery negative effects on our annual sales rate. However, we are proud that at least we had gained the confidence of various clients all over the world in 2024.

- ✓ Our annual growth of business deals (assignments) records a decrement of **-3.4%** (i.e., 2023-2024 output's growth rate).
